

Rutherford Road / Carrville Road

Municipal Class Environmental Assessment Study Schedule 'C'

Public Consultation Centre No. 2

- ▶ York Region is examining future corridor needs and improvements for Rutherford Road / Carrville Road between Jane Street and Yonge Street
- ▶ At this second set of Public Consultation Centres the analysis of the alternative solutions and the recommended solution for West Rutherford, East Rutherford and Carrville Road will be presented and discussed. Design considerations will be reviewed for watercourse crossings, CN Bridge crossing, GO Rail crossing, and Alternative Design Concepts for road widenings
- ▶ We encourage you to attend this second of three consultation centres. Learn first hand of the recommendations being considered and provide your input. The Project Team will also provide an overview of existing conditions, feedback received from the public so far and updated evaluation criteria
